ANTHEM

NATIONAL ANTHEM

Nigeria, we hail thee,
Our own dear native land,
Though tribe and tongue may differ,
In brotherhood we stand,
Nigerians all, and proud to serve Our
sovereign Motherland.

Our flag shall be a symbol
That truth and justice reign,
In peace or battle honoured,
And this we count as gain,
To hand on to our children
A banner without stain.

O God of all creation,
Grant this our one request,
Help us to build a nation
Where no man is oppressed
And so with peace and plenty
Nigeria may be blessed.

APC WOMEN ANTHEM

All Across the Nation
All Around the World
Women are longing to be free
No longer in the Shadows
Forced to stay behind
But side by side in true Equality

Refrain

So sing a song for Women everywhere
Let it ring around the world and never, never
cease,
So sing a song for Women everywhere, Equality,
Development and Peace

Women can't be silent
When around the world
People hurt and hungry children cry
We'll sing out now for Justice and Development
And hold the Rights of all the People High

Refrain

Women now are working to build a better world
Where the love of Peace can rest on every shore
Where men lay down their weapons and learn to
love and share
And People work to bring an end to War

Refrain (2x) to end
